

## PCH Pathology GP User Survey 2022 - Response to Survey Comments

COMMENT	
Phlebotomy	Pathology Response
<p><b>Q-Do you have any specific comments about phlebotomy services?</b></p> <p>1-Service in Wisbech seems to be improving</p> <p>2-Reliability of computer contact with ICE remains erratic and difficult at times still.</p>	<p>1-Pathology doesn't manage the services at Wisbech so cannot comment on this service.</p> <p>2-The performance of CliniSys ICE Order Comms is currently under investigation and the Trust is liaising with the supplier to address this issue.</p>

COMMENT	
Paediatric phlebotomy service would you be interested?	Pathology Response
<p>1-N/A</p> <p>2-Not really.</p>	<p>Stamford phlebotomy are considering a paediatric service and will inform you via the CCG if and when the service is made available. Thank you for your comments this will help us in understanding the likely demand for the service.</p>
